Delta Flight Attendants:

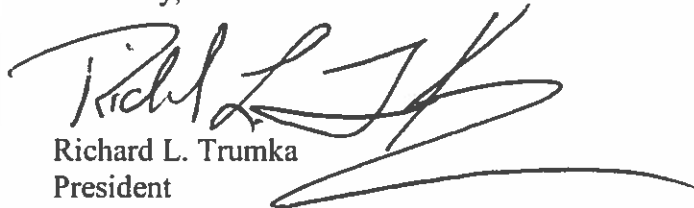

I am excited to hear about your union organizing campaign with the International Association of Machinists (IAM). The AFL-CIO fully supports the IAM's efforts and urges you to join together with the IAM.

There is no better action to make your voice heard than to join together and form a union. By doing so you will bring the power of the labor movement together with your collective voice, and ensure good jobs at Delta and across the airline industry.

Across the country, union members work together to win higher wages, better benefits, a safer workplace and a voice on the job.

The men and women of the AFL-CIO stand beside you in your campaign to organize and win at Delta Airlines with the IAM!

Sincerely,

Richard L. Trumka
President
