

GOOD FOR THEM but **NOT** FOR US??

Did you know that DELTA has a Corporate Union?
It's a trade association called
AIRLINES FOR AMERICA.

Taken from the A4A website:

*"Airlines for America (A4A) **advocates on behalf of its members** to shape crucial policies and measures that promote safety, security and a healthy U.S. airline industry. We work collaboratively with airlines, labor, Congress, the Administration and other groups to improve aviation for the traveling and shipping public."*

When DELTA
managers tell us that
WE DON'T NEED A UNION
ask them
WHY
are they in one?
