

# Delta THE EMPIRE STRIKES BACK

Delta is preparing their anti-union campaign. Here's what to expect in the coming months.

- Pizza parties. Nice, *but* **pizza doesn't pay the bills.**
- A *pay raise* this summer. Cool, *but* **NOTHING CLOSE** to the **33%** that the pilots got. Guess why? **The pilots have a UNION.**
- **LOTS** of *anti-union* briefings where they *say* the union is an outside third party that doesn't care about you. No, the **UNION** is **US.**
- Delta *says* the direct relationship allows them to give you what you need. Really? How's *that* working?
- Intimidation - Delta *says* if you sign a card you could be fired. **WRONG** again. You have a **federally protected right** to sign a card.

**WATCH FOR THE ANTI-UNION CAMPAIGN  
COMING TO A BREAK ROOM NEAR YOU.**
